

Child Care Referral Services and Financial Assistance Stakeholder Group Meeting

September 29, 2010

Goal: Review models of a centralized system for child care referral services

Objectives:

- Explore different models of a centralized system
- Evaluate these models using the goals/criteria generated at meeting #1
- Consider creative adaptations to meet goals

Agenda

- 1:00 Welcome and Agenda Review
- Review key process and outcomes from first meeting
 - Share anticipated work for this meeting
- 1:10 Review Goals identified in Meeting #1
- 1:30 Share different models of a centralized system
- Original proposal
 - Connecticut
 - Other states or areas
 - Stakeholder homework
- 2:00 Discuss different models (small groups)
- To what extent do the various models meet our goals?
 - Which goals are met and which are not?
- 3:00 Identify outlines of a model that meets our goals and could work in Vermont
- What are possible models or key elements for a model for a centralized child care referral system that meets our goals?
- 3:45 Next steps
- *What will we address in our next meeting?*
 - *What needs to happen before our next meeting to keep moving forward?*
